System Update on the 156 Hemodialysis and Coverage Expansion (Revision 1)

PhilHealth informs all its Accredited Healthcare facilities, Information Technology (IT) Service Providers, and all others concerned on the updated eClaims following the issuance of PhilHealth Circular 2024-0014, which pertains to the 156 Hemodialysis Coverage expansion. The new package rate for Hemodialysis (HD) of PHP4000 per treatment session is now available in eClaims.

Further, in order for the HFs and IT Service Providers to adjust to the system update on HD Expansion, those HD sessions that are already on the 60th day and due for submission covering the period July 1 to 15, 2024 shall not be considered of late filing and shall be accorded with extension provided they submitted the same within August 1-15, 2024.

Changes in the mode of filing of HD sessions shall be announced prospectively in a separate issuance. Current submission modalities of HD sessions through eClaims still applies until further notice.

Further inquiries may be referred to PhilHealth Action Center (02) 8662-2588 or through email at actioncenter@philhealth.gov.ph or any PhilHealth Regional and Local Health Insurance Offices.

For the information and guidance of all concerned.
