

Reiteration of Guidelines on the Distribution of Professional Fees (PF) by Accredited Health Facilities (HF)

This is pursuant to PhilHealth Circular No. 0035, s.2013 which states that: "The Professional Fees (PF) shall be distributed by the Health Facilities (HFs) within 30 calendar days from the date of receipt of reimbursement from PhilHealth." and PhilHealth Advisory No. 2017-0049, which reinforces the provisions of PhilHealth Circular No. 0035, s.2013 regarding the timely distribution of PF to healthcare professionals.

ALL accredited HFs are reminded to enforce policies and procedures for the proper distribution of PF, in accordance with agreements between the institution and the professionals. Failure to comply with this directive may result in complaints/reports being forwarded to the PhilHealth Regional Office (PRO) – Health Care Delivery Management Division (HCDMD) and may be deemed a violation of the HFs performance commitment and may affect the deliberation of accreditation status.

PhilHealth urges all accredited HFs to strictly adhere to this guideline to ensure fair and timely compensation for professionals delivering healthcare services to PhilHealth members.

For strict compliance.
