Extension of the Deadline for Submission of CY 2024 PhilHealth Konsulta Data

In consideration of the appeals from Konsulta Package Providers, PhilHealth extends the deadline for submission of PhilHealth Konsulta **CY 2024** data until June 30, 2025.

Konsulta Package Providers (KPPs) that have no access to HCI portal may submit their data to the nearest Local Health Insurance Office on or before the aforementioned date. To facilitate processing of data, they should submit them in groups per period (e.g., per month or per quarter) for batch uploading.

KPPs that have completed the uploading of their data records before June 30, 2025 may already request for SAP2 generation.

For your information and proper guidance.
