

Reiteration on the Submission of Training Certificates on Family Planning Procedures (per PhilHealth Circular No. 2018-0005)

This is to remind all accredited health facilities (HFs) (both hospital and non-hospital) with intent to provide family planning benefit package/s to submit proof/s of training or proficiency in family planning procedures from DOH-recognized training institution of their affiliate PhilHealth-accredited healthcare professionals.

Kindly ensure the submission of the following training certificates corresponding to each family planning procedure along with a properly filled out provider data record (PDR):

Professional Class	Procedure	Certificate of Training
Physician	Non-Scalpel Vasectomy (NSV)	Training on NSV
	IUD insertion as first case rate	None
	Subdermal Contraceptive Implant Package	Certificate of Training on Subdermal Implant Insertion and Removal
Nurse/ Midwife	IUD insertion as first case rate	Family Planning Competency Based Training (FPCBT) Level 2 Training Course Or Comprehensive Family Planning Training Course
	Post-partum IUD insertion as second case rate	Post-partum IUD Training Course
	Subdermal Contraceptive Implant Package	Certificate of Training on Subdermal Implant Insertion and Removal

No additional accreditation fee will be collected for this update.
