## Deadline Extension for Submission of SAP 1 and 2 Data for CY 2025 and Previous Years

PhilHealth informs all YAKAP providers that the deadline for submitting Statement of Accounts Payable (SAP) 1 and 2 data has been extended until 11:59 PM on **March 31, 2026**.

This extension covers SAP data for **Calendar Year (CY) 2025 and prior years**. Providers are advised to ensure that all required data is complete and accurately uploaded on or before the extended deadline. Data submitted after the deadline shall no longer be accommodated and shall not be included in the SAP generation and computation.

Furthermore, all YAKAP Clinics are reminded to **submit a manual request form for SAP generation** to the Benefits Administration Section (BAS) personnel of their Local Health Insurance Office (LHIO) after successfully submitting the appropriate data.

All YAKAP providers are enjoined to comply with the above to avoid delays and exclusion from SAP 2 processing.
