No. 2026 - 0008

Clarification on Extension of Deadline for Submission of SAP 1 and SAP 2 Data

This advisory provides further guidance for all YAKAP Clinics on the previously announced extension of the deadline for submitting Statement of Accounts Payable (SAP) 1 and SAP 2 data, based on Advisory 2026-0005.

Please be informed that the extension of the submission deadline until **11:59 PM of March 31, 2026** shall apply **exclusively to SAP data for Calendar Year (CY) 2025**.

Submission of SAP data for prior calendar years remains subject to the existing rules, timelines, and applicable policies, and is not covered by the said extension.

All YAKAP providers are therefore advised to ensure the complete and accurate submission of SAP 1 and SAP 2 data for CY 2025 within the extended period. Data submitted beyond the prescribed deadline shall no longer be accommodated and shall not be included in the SAP generation and computation unless otherwise stated by the Corporation.
