Reiteration of the Final Deadline for All Accredited Health Facilities to Migrate to E-Claims Version 3.0

In line with PhilHealth **Advisory No. 2026-0027**, all accredited health facilities are hereby reminded of the **mandatory migration to the E-Claims Version 3.0 on or before 30 June 2026.** All lower versions of E-Claims will be fully decommissioned on 1 July 2026.

Failure to comply may result in delays or non-submission of claims. Concerned health facilities and service providers are therefore enjoined to give this matter their immediate attention and full cooperation.

For information and compliance.
