The need to increase the maximum monthly salary base is necessary to maintain the actuarial viability of the Health Insurance Fund (HIF) and to address the regressive payment structure which will be the basis for monthly premium contributions.

P.

Payment of monthly premium contributions for both public and private sector employers is on or before the 10th of the month following the applicable month through PhilHealth Accredited Collecting Banks (ACBs) nearest you. Failure to deduct and/or to consequently remit said contributions to the Corporation shall make the employers liable under the penal provisions of the National Health Insurance Act (Art. X, RA 7875).

In addition, to ensure the proper and immediate posting of said contribution payments, all employers are reminded to submit their Quarterly Remittance Report on or before the 15th day of the month following the applicable quarter. These reports shall consist of their properly accomplished Employer's Quarterly Remittance Report Form (RF-1) and the corresponding copies of the duly validated Contributions Payment Return Form (ME-5).

For the information and guidance of all concerned.
