PHILHEALTH CIRCULAR

No. 12, s-2007

TO : ALL ACCREDITED INSTITUTIONAL HEALTH CARE PROVIDERS, MEMBERS OF THE NATIONAL HEALTH INSURANCE PROGRAM AND ALL OTHERS CONCERNED

SUBJECT: Deferment of the Effectivity of Implementation of PhilHealth Circular No. 07, s-2007

PhilHealth Circular No. 07, s-2007 intends to facilitate transactions of NHIP members with the Corporation. However, in consideration of the need of members who have yet to register or update the information of their records with PhilHealth and to give reasonable time for them to secure a copy of their Member Data Record (MDR), PhilHealth Circular No. 07, s-2007 shall be made to be effective **September 1, 2007** instead of June 1, 2007. Hence, third paragraph of the said Circular is hereby amended to read as follows:

“This Circular shall take effect on all claims with admission dates starting September 1, 2007.”

In line with this, NHIP members are enjoined to register and/or update their records to the nearest PhilHealth Office to have their PhilHealth Identification Number (PIN) and/or an updated MDR.

For information and guidance.
