SUBJECT : New Design of PhilHealth Family Health Card

Please be advised that effective immediately PhilHealth shall have a new design of the PhilHealth Family Health Card intended for the indigent members. The said card shall serve as our indigent member's proof of membership in the National Health Insurance Program.

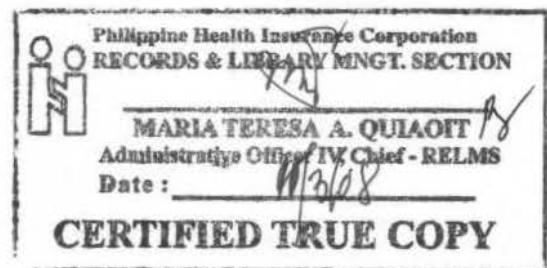

The new ID card has the following features:

- The ID card is printed in vellum paper having "PhilHealth" fine prints as the background design in yellow.
- At the top right corner of the card, opposite the PhilHealth logo is the new tagline "Labanan ang Kabirapan... Alagaan ang Kalusugan."
- The "Family Health Card" is set at the center just below the clear PhilHealth logo, shaded in green to give emphasis on the type of PhilHealth issued card.

All previously issued Family Health Cards shall still be honored as proof of eligibility in availing of the PhilHealth benefits of both members and their dependents within the validity period indicated therein.
