I. RATIONALE

As part of the efforts to attain Universal Health Care or Kalusugang Pangkalahatan (KP), the Corporation, in accordance with the provisions of PhilHealth Board Resolution (PBR) Nos. 1571, s. 2011 and 1579, s. 2012, shall support the expansion and sustainability of existing enrollments of Local Government Units (LGUs)/Sponsors in CY 2011 under the Sponsored Program component of the National Health Insurance Program (NHIP).

Pursuant to PBR No. 1571, s. 2011, the annual premium contribution rate under the Partial Subsidy Scheme shall be increased to P2,400.00 per member effective July 1, 2012. However, the said annual premium contribution rate shall be at P1,200.00 per member: *Provided*, That the LGU/Sponsor signified its intention to enroll or provide health insurance coverage to its identified beneficiaries for two (2) years or up to December 31, 2013 and paid the prescribed initial premium contribution within the 1st Semester of CY 2012.

In response to the clamor of most LGUs for deferment of the implementation of the increase of premium contributions, the Corporation, through PBR No. 1579, s. 2012, extended the end of validity date for all existing enrollments of LGUs/Sponsors under the Sponsored Program from December 31, 2011 to March 31, 2012 at NO COST to the LGU/Sponsor.
