PHILHEALTH CIRCULAR

No. 033 s. 2012

July

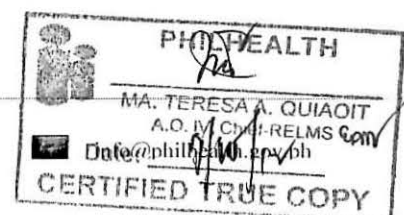

**TO : ALL PHILHEALTH MEMBERS, ACCREDITED PROVIDERS
PHILHEALTH REGIONAL OFFICES (PROs) AND ALL
OTHERS CONCERNED**

**SUBJECT: Supplemental Guidelines to PhilHealth Circular 15 s. 2012 Re: PhilHealth
for Animal Bite Package (Rabies Post-exposure Prophylaxis)**

In order to facilitate implementation of Animal Bite Package (ABP) and hasten participation of interested providers of this package, the following additional guidelines shall be followed:

A. Provider Engagement

1. For CY 2012, in lieu of the Certificate of Recognition as an Animal Bite Treatment Center or Animal Bite Center from the DOH, all ABTCs and ABCs found in Annex A, a list of facilities capable of managing animal bites as certified by the DOH-NCDPC, shall be eligible to participate as providers for the ABP. These facilities are given until July 31, 2012 to submit the provider's data record and signed PC for HCP in order to receive reimbursement.
2. Submission of the Certificate of Recognition from the DOH as an ABTC/ ABC shall follow upon issuance by said DOH office/s or upon renewal of participation in the Program, whichever comes first.
3. HCPs with intention to participate shall use the Performance Commitment (PC) for Health Care Providers (HCP) attached to PhilHealth Circular 13 s. 2012.
4. ABP provider which submitted provider's data record (PDR) and signed PC on or before July 31, 2012 shall be eligible for reimbursement beginning May 3, 2012. This means that treatment provided to PhilHealth members starting May 3, 2012 will be retroactively computed and reimbursed.
5. PDR and signed PC submitted after July 31, 2012, shall render the provider eligible for reimbursement of claims for completed treatment beginning on the date it complied with the requirements as stated in PhilHealth Circular 13 s. 2012. Claims filed for completed treatment prior to the date of compliance will NOT be reimbursed.
6. Direct file from patients from May 3, 2012 may be reimbursed provided that the claims are filed within 60 days from completion of day 7 treatment or in cases mentioned in B.1 of the circular, in any of the ABTCs in the list.
7. For directly filed claims, the beneficiary shall submit claim form 2 and a certified true copy of the completely filled-out Animal Bite Treatment Record.
8. All IHCPs eligible as provider of ABP shall put a signage following the attached design and technical specifications. (Annex B)

B. Benefits Availment

1. Guidelines in the proper filling-up of Claim Form Summary Report is provided herein (Annex C).
2. In cases where day 3 and /or day 7 was/ were not administered because of confinement or death, the full package shall be paid to the health facility. These shall be supported by the applicable documents:
 - a. Deceased: Death Certificate or Certification of Death issued by the MHO/ CHO
 - b. Admitted in a hospital : Certificate of Admission issued by the hospital
 - c. Repeat exposure – Animal bite treatment record reflecting the date/s of administration of the booster dose/s
3. Strict compliance to the “No Balance Billing Policy” for sponsored members shall be enforced.
4. To ensure completion of appropriate treatment, the member shall complete the treatment in one accredited provider
5. Complete and proper filling-up of the summary claim form is advised in order to prevent denial or return of claim applications. (Please refer to annex for details)
6. To ensure efficient utilization of the reimbursements, LGUs with accredited ABP providers are encouraged to create a trust fund for PhilHealth reimbursements that will ensure availability of a revolving fund.

All issuances that are inconsistent with the provisions of this Circular are deemed superseded.

For information and guidance.
