PhilHealth Circular No. 20 - 2015

Suspension of the Charge to Future Claims Policy

1. What prompted PhilHealth to suspend the policy?

To give ample time for the needed adjustment/s for the health care providers as well as the Corporation in implementing the policy.

2. How long will the suspension be?

To guarantee a smooth transition, CtFC is deferred until further notice.

3. Can the member still file for refund?

No, request for refund and or application for CtFC shall be put on hold.

4. How will the Corporation deal with violations from providers that are supposed to be addressed by the Charge to Future Claims policy?

The existing rules applies for health care providers with violations such as HCP PAS and legal actions.
