

**TAMANG SAGOT**  
**PhilHealth Circular No. 2016 - 0014**

**ANNEX 2 – LIST OF PROCEDURE CASE RATES (REVISION 3.0) AND  
SUPPLEMENTARY GUIDELINES FOR ALL CASE RATES**

---

**1. What is Annex 2 Revision 3.0?**

Annex 2 Revision 3.0 shall now be used as reference for procedure case rates. It covers selected procedures with changes in case rates amounts that are listed in Annex 2 – List of Procedure Case Rates (Revision 2.0). Also, included are amended provisions stated in PC No. 12 - 2015, selected supplementary guidelines for ACR.

**2. What procedures are affected by these changes?**

Selected ophthalmic and dermatologic procedures. Further, accredited specialist trained in EENT are now allowed to reimburse ophthalmic surgical and laser procedures.

**3. What are the new requirements concerning Intraocular Lens (IOL)?**

The Food and Drug Administration Philippines - registered intraocular lens (IOL) sticker or box shall be attached to Claim Form 2 for claiming cataract procedures.

In transition, the IOL sticker or box should be labeled with but not limited to:

- 1) product or brand name;
- 2) model or reference code;
- 3) manufacturer;

and serial number until August 31, 2016 (1 out of 3 labels should be present and serial number).

Thereafter, all three (3) labels and serial number should be present. Otherwise, the claim shall be denied.

**4. What is new in Cataract Pre-surgery Authorization (CPSA)?**

CPSA shall no longer be required in cases of childhood and secondary cataracts. The clinical abstract or completely and properly filled out CF 3 (page 1) shall be attached to CF 2 otherwise, the claim shall be returned to sender.

**5. When is the effectivity of the Circular?**

The new provisions of this Circular shall take effect for claims with admission dates starting July 1, 2016 unless otherwise specified.
