PHILHEALTH CIRCULAR
 No. 2017 - 0020

TO : ACCREDITED HEALTH CARE INSTITUTIONS, HEALTH CARE INSTITUTION SERVICE BANKS AND ALL OTHERS CONCERNED

SUBJECT : IMPLEMENTATION OF AUTO-CREDIT PAYMENT SCHEME (ACPS) TO ALL HEALTH CARE INSTITUTIONS

I. RATIONALE

PhilHealth Circular No. 043 series 2012 entitled “Reimbursement of Hospital Claims through Auto-Credit Payment Scheme (ACPS)” became a pivotal component in shortening the claims processing time thereby improving claims processing efficiency. The ACPS is a mechanism whereby payment of the claims of health care institutions (HCIs) is credited directly through its designated deposit account with the partner bank/s. Although participation in ACPS was offered only to hospitals, and on an optional basis, the remarkable experience gained from this process by both Health Care Institutions (HCIs) and PhilHealth has been encouraging enough for the latter to consider strengthening its application through a wider involvement of HCIs.

II. OBJECTIVE

This policy aims to improve claim process efficiency by automating PhilHealth’s payment mechanism with the HCI’s banking service providers. This shall guide HCIs by prescribing standard requirements for HCI autocredit registration, official receipt information, and autocredit payment schedules.

III. SCOPE

The expanded ACPS shall cover all claims coming from HCIs. The ACPS shall not apply to member-filed claims.

IV. DEFINITION OF TERMS

- A. Auto Credit Payment – is a payment scheme whereby settlement of HCI claim is directly credited to their designated deposit accounts.
- B. Real Time Gross Settlement (RTGS) – is a gross settlement system in which both processing and final settlement of funds transfer instructions can take place continuously (real time). As it is a gross settlement, transfers are settled individually without netting debits against credits. An RTGS system can thus be characterized as a funds transfer system that is able to provide continuous intraday finality for

individual transfers provided that a sending bank has sufficient covering balances or credit.¹

V. GENERAL GUIDELINES

- A. All HCIs shall be required to open deposit account/s with the local banks authorized to do banking business in the Philippines under the supervision and regulation of the Bangko Sentral ng Pilipinas, for the PhilHealth auto-credit payment facility. The deposit account/s shall be the destination account into which reimbursements will be credited.
- B. HCIs already enrolled under the ACPS with LandBank shall opt to either retain their existing account or open an account with their preferred servicing bank.
- C. For non LandBank accounts the RTGS fee shall be paid by the HCI/LGU HCIs. In no instance shall PhilHealth pay the RTGS or any other transaction fees between banks.
- D. All accredited HCIs shall be required to be ACPS compliant upon effectivity of this circular. Otherwise, payment release shall be put on hold and no checks shall be issued to HCIs for claims payments.
- E. PhilHealth reimbursements shall be credited through ACPS every **Wednesday** of the week or the next working day, in case crediting day falls on a non-working holiday.
- F. HCIs shall issue **individual** Official Receipts (ORs) for **every** PhilHealth reimbursements credited/paid to their deposit account/s. The OR must indicate the following details:

1. Name of HCI (or Name of LGU, as applicable)
2. Bank account name

3. Bank account number
4. Benefit Disbursement Voucher Number
5. Net amount received
6. Credit date
