PHILHEALTH CIRCULAR

No. 2017-0028

FOR : ACCREDITED HEALTH CARE PROVIDERS (HCPs), PHILHEALTH REGIONAL OFFICES (PROs), AND ALL OTHERS CONCERNED

SUBJECT : Policy on Claims for Pneumonia, Acute Gastroenteritis, Urinary Tract Infection and Other Identified Conditions

I. RATIONALE

Pursuant to PhilHealth Board Resolution No. 2215, s 2017 the Corporation shall no longer require the length of stay for claims application for community acquired pneumonia, acute gastroenteritis, and urinary tract infection. Claims for these conditions shall be subjected to pre-payment medical review.

II. OBJECTIVES

- A. To remove the Length Of Stay (LOS) as basis for reimbursing claims for pneumonia, acute gastroenteritis and urinary tract infection.
- B. To apply pre-payment medical review on pneumonia, acute gastroenteritis, urinary tract infection and other conditions.
- C. To encourage healthcare institutions that have the resources and capability to file appropriate claims when patients are managed in critical care due to the complications arising from these conditions.
- D. To institute measures to address moral hazard and other violations as stipulated in the performance commitment of healthcare providers.

III. SCOPE

This policy shall cover in-patient claims for pneumonia, acute gastroenteritis, urinary tract infection and other conditions of eligible PhilHealth members and their qualified dependents in all PhilHealth accredited health care institutions.

IV. DEFINITION OF TERMS

- A. **High Risk Pneumonia** - (as defined in PhilHealth Circular No. 11, s-2011).
- B. **Moderate Risk Pneumonia** - (as defined in PhilHealth Circular No. 11, s-2011).
- C. **All Case Rates** - Bundled payment scheme that reimburses healthcare institutions with fixed rates for corresponding medical and surgical conditions.

D. **Length of Stay (LOS)** - refer to the number of hours/days a patient stays in the accredited HCI from admission date to discharge date.

V. GENERAL GUIDELINES

- A. The LOS shall not be the basis for claims reimbursement for pneumonia, acute gastroenteritis and urinary tract infections. Claims for confinements that fall below the recommended LOS shall not be denied.
- B. All claims application for pneumonia, acute gastroenteritis, urinary tract infection and sepsis shall require submission of their corresponding certified true copy of complete clinical chart of the patients, which details the history of present illness, course in the ward, vital signs monitoring, doctor's orders sheet, nurse's notes, laboratory and imaging results, among others.
- C. Claims application without the required attachment of certified true copy of patient clinical charts shall be returned to sender (RTS).
- D. For all other conditions, clinical charts and other related documents shall be made available upon request by the Corporation.
- E. The Corporation reserves the right to subject any and/or all claims application for pneumonia, acute gastroenteritis, and urinary tract infection to pre-payment medical review.
- F. Application of existing policies shall apply during pre-payment medical review. Any violation of the policies of the Corporation shall cause the denial of the claim.
- G. PhilHealth may subject other conditions or surgical procedures to prepayment medical review and submission of complete clinical charts or other documents as deemed necessary thru the issuance of an advisory anchored on this circular.
