- 3. The HF shall only check applicable service/s to be provided, put " \mathbf{N}/\mathbf{A} " if not applicable.

	REQUIREMENTS		HF		HIC	REMARKS
	-	YES	NO	YES	NO	KEWAKKS
1.	Hospital License and Accreditation					
	A. The HF has an updated DOH License					
	B. The HF has an updated PhilHealth Accreditation					
2.	Minimum Service Capability					
	1. Monthly monitoring of registered patients*					
	a. Total no. of new patients per month					
	i. New patients initiated in the same center					
	ii. New patients transferred from another PD Center					
	b. No. of patients outs (shifted to Hemodialysis,)					
	c. No. of patients who had kidney transplantation					
	d. No. of transfers to other centers					
	e. No. of lost to follow-up per month					
	or the control of the					
	Note: Lost to follow-up is defined as no follow-up					
	beyond sixty (60) days from the last follow-up					
	2. Medical outcomes*					
	a. Presence of logs/records (electronic or hardcopy)					
	i. PD-related infections					
	Peritonitis incidence					
	2) a) culture isolates					
	b) culture negative peritonitis					
	c) medical cure/refractory/treatment failure					
	3) Exit site incidence					
	4) Tunnel infection					
	ii. Non-infectious complication related to PD, such					
	as: Peri Catheter leaks, catheter tip migration,					
	Hernia, etc.					
	iii. Technical survival					
	1) Shifted to HD					
	2) Shifted to Kidney Transplant (KT)					
	3) Lost to follow up					
	iv. Hospital incidence					
	v. Mortality incidence					
	Cont. to page 2					

	Dhara's al Dlama			
3.	Physical Plant			
	a. A designated room separated by a wall with ample			
	space for storage, training and consultation areas,			
	among others.			
	b. Adequate water supply			
	c. Waiting room			
	d. Training area with sink or basin			
	e. Storage room			
	i. Hospital based PD Unit: The storage room maybe			
	within the Hospital's Central Supply Room, In-			
	patient Pharmacy, or any area within the hospital			
	premises			
	ii. Freestanding PD center: a separate storage room			
	f. Toilet for staff			
4.	Equipment and Supplies			
	a. FDA-registered PD fluids			
	i. Minimum of fifteen (15) 2.0L PD double bag			
	system regardless of strength or dextrose			
	concentration (1.5%, 2.3%, 2.5%, or 4.25%)			
	b. Medical Equipment			
	i. PD transfer set			
	ii. Disinfection caps or its equivalent			
	iii. Sterilized dressing kits:			
	a) Sterile gloves			
	b) Sterile cotton balls			
	c) Sterile gauze			
	d) povidone iodine			
	iv. Clamps or andy disc organizer or its equivalent			
	v. Stethoscope			
	vi. Sphygmomanometer			
	vii. Weighing scale for patients			
	viii. Weighing scale for PD fluids			
	ix. Thermometer (non- mercurial)			
	x. Syringes (1 cc for heparin; 3 cc for medications; 50			
	cc for flushing)			
	xi. IV stand			
	xii. Examination bed			
	c. Automated PD Modality program (as applicable)			
	c.1. Automated PD Modality Program in place.			
	The following documentary evidence include			
	but NOT limited to the following:			
	a) Manual of Procedures			
	b) Protocols			
	d. Non-Medical Equipment			
	xiii. Emergency light			
	xiv. Fire extinguisher			
	xv. Training materials			
	xvi. Computer with functional HF portal			
	xvii. Printer (mandatory for PD first contracted HFs)			
5.	Human resource			
	a. The HF shall have a multidisciplinary/			
	interdisciplinary team; minimum of a PD Head and			
	a PD Nurse			
	b. PDU/ PDC Head			
	i. Accredited by PhilHealth			
	ii. The head shall be any of the following: (in order)	+		
<u> </u>	ii. The nead shall be any of the following. (in older)			

	a) Board certified Nephrologist (adult or			
	pediatric), diplomate or fellow of the			
	Philippine Society of Nephrology (PSN) or Pediatric Nephrology Society of the Philippine			
	(PSPN)			
	(1011)			
	OR			
	b) Board-eligible nephrologist trained in			
	PSN/PNSP- accredited nephrology fellowship			
	training hospital.			
	OB			
	OR c) In Geographically Isolated and			
	c) In Geographically Isolated and Disadvantages Areas (GIDA**). Board			
	certified / Board eligible in Internal			
	Medicine or Pediatrics who:			
	i. Completed Training in Peritoneal Dialysis			
	in DOH-licensed and PSN/PNSP-			
	Accredited Nephrology Fellowship			
	training institution,			
	OD			
	OR d) In GIDA Areas, any licensed medical			
	physician with:			
	i. Completed Training in Peritoneal Dialysis			
	in a DOH-licensed and PSN/PNSP-			
	Accredited Nephrology Fellowship			
	training institution			
	OB			
	ii. Completed the basic and intensive courses			
	in PD from the National Kidney and			
	Transplant Institute (NKTI) or an NKTI			
	recognized training facility			
	c. Administrator			
	d. PD Center / PD Unit Nurse (at least one full time			
	PD Nurse)			
	i. The nurse: patient ratio shall be a minimum of			
	1:20 (based on the International Society for			
	Peritoneal Dialysis) ii. Shall be duly licensed by the Professional			
	Regulation Commission (PRC)			
	iii. Completed PD training one (1) month from NKTI			
L	or PSN PD Training			
	iv. In GIDA, government institution and areas with			
	health human resource shortage, the nurse must			
	have completed PD training one (1) month from			
	NKTI or PSN PD Training.			
	v. In a private institution, the nurse must completed a PSN PD Training/Workshop or PD			
	Workshop with PRC CPD Units, and be further			
	validated and certified by the PD Unit/ Central			
	head			
6.	Z BENEFIT PROGRAM IMPLEMENTATION			
	UPON RENEWAL			
	a. Conduct advocacy programs/seminars at least			
	annually upon approval			
Ī	b. Process flow for the provision of services for PD		l	

	c. Sublint reports on patient outc				
	statistical reports i. Incidence Rate				
	ii. Prevalence Report				
	iii. Mortality Report				
	iv. PD-related infection rates	(opicodos/patient			
	year)	(episodes/patient			
	a) Peritonitis rate				
	b) Exit site infection rate				
	c) Tunnel infection rate				
	d. Non-infectious complications rela	ated to PD such			
	as peri-catheter leaks, catheter				
	hernia, etc.	wp			
7•	ADDITIONAL REQUIREME	NTS UPON			
	RENEWAL or RE-ACCREDITAT				
	a. Participation to the yearly sumn				
	Benefits organized by the refere				
	contracted HF duly acknowledge				
	by PhilHealth				
	b. Must Submit registry data to th	ne reference HF			
	yearly. The contents and format or	f the registry will			
	be recommended by the reference	e HF.			
	c. The reference HF should submit a	annual reports to			
	PhilHealth				
8.	INFORMATION MANAGEMEN				
	a. The facility maintains a detailed				
	medical records management	and promotes			
	confidentiality				
9.	CLIENT FEEDBACK	•
