

Modern Day Good Samaritan

She is Jasmine Collado, a young wife and mother of two from San Rafael, Bulacan.

She helped a complete stranger upon learning that he walked miles to pay his PhilHealth contributions on time, but his money did not suffice. Sharing in his conviction that ensuring one's health insurance contributions provide financial protection for the family against health risks especially at this time of pandemic, she paid for his PhilHealth contributions.

Of her own PhilHealth experience, she has this to say: "Thank you po dahil sobrang laking tulong ng PhilHealth lalung-lalo na po sa akin, dahil nagamit ko po siya sa panganganak ko at noong na-ospital ang baby ko. Kung walang PhilHealth, paano na kaming mahihirap? Kaya, thank you po."
