

OFFICIAL STATEMENT

PhilHealth with the support of its Board of Directors, shall wait for DOJ's opinion on the PhilHealth-PRC MOA for proper legal guidance on how to proceed with its payment to the PRC. It is reiterating that it has the funds to pay its obligations to PRC. It is requesting all those who have been affected by this issue for more patience and understanding as PhilHealth moves forward with this partnership with the proper legal support, all in aid of ensuring that members' funds are properly handled and disbursed.###
