# On the Resignations of Three (3) Officials of PhilHealth

**P**hilHealth has yet to officially receive the letter of resignation of Atty Thorrsson Keith. However, any grievances on promotion, which Atty. Keith applied for, can be resolved through its grievance machinery.

Head Executive Assistant Etrobal Laborte has tendered his resignation in the middle of July and will take effect at the end of

August 2020 to go back to taking his PhD, while Corporate Legal Counsel Atty. Roberto Labe Jr. vehemently denied any news of his resignation.

PhilHealth assures the public that it takes seriously any issue on corruption, and asks Atty. Keith to substantiate his accusations so proper procedures can be initiated.
