On June 10, 2023, a booth competition was held as part of the 125th Independence Day celebration held in the City of Manila. PhilHealth NCR's booth, meticulously designed to reflect the spirit of Philippine independence and the organization's core values, captivated visitors and judges alike. Vibrant colors, interactive displays, and informative materials highlighted PhilHealth's programs and services, leaving a lasting impression on the visitors.

Amidst tough competition from other government agencies, PhilHealth NCR's booth emerged triumphant, winning the first prize for three consecutive years. This extraordinary achievement not only solidified PRO NCR's commitment to excellence but also highlighted their ability to consistently deliver impactful displays that resonated with the Filipino people.

Beyond the booth competition, PhilHealth NCR extended their services to the attendees during the course of the celebration. Onsite member registration and data amendment, printing of Member Data Records (MDRs) and IDs, and addressing queries were among the services made available to the public. The provision of

these essential services demonstrated PhilHealth NCR's dedication to ensuring that everyone is given easy access to PhilHealth services even as they participate in the festivities.

In addition, amidst the pouring rain that threatened to dampen the Independence Day parade on June 12, 2023, PhilHealth NCR Team carried their banner high, displaying unity and resilience. Their active participation in the parade represented their continuous support for the nation and its people, serving as a reminder of PhilHealth's commitment to upholding the values of compassion, service, and unity. Despite the challenging weather conditions, their unwavering presence showcased resilience and determination that echoed the spirit of the Filipino people throughout history.###
