TARLAC - PhilHealth supports LAB FOR ALL: Laboratoryo, Konsulta, at Gamot para sa Lahat! --- The event advocated and led by First Lady Louise Araneta-Marcos served 1,000 Tarlaqueños with free check-up, laboratory test, and medicines on May 30, 2023 at the Bulwagan ng Kanlahi, Tarlac City. This is through the integrated efforts and initiatives of the Provincial Government of Tarlac, DOH, PhilHealth, DILG, DSWD, FDA, Napolcom, BFP, and PNP.

“Sama-sama tayong babangon muli.”, the First Lady said in her message to around 1,000 Tarlaqueños and representatives of partners agencies and local government units present. She emphasized the significance of primary care services and preventive health care in building a strong nation. Through the active collaboration and partnership of LGUs, the national government, private agencies and health care providers, every Filipino shall be empowered to seek
